Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

WHAT HAPPENS ON THE DAY

Aintree Racecourse is set up for helicopters only, so there are no airline queues to cross. What you will find: Landing area adjacent to the Steeplechase car park, a few hundred metres from the racecourse; passengers escorted from the helicopter into a private enclosure and on to their hospitality.

The opening hours decide your day more than the aircraft does. Give us your target arrival and the latest acceptable departure and we will check both against the site.

HOW A BOOKING WORKS

1. Tell us the trip
Where from, where to, the date and how many are travelling.

2. We quote
Helicopter options and one fully inclusive price, usually the same business day.

3. We arrange it
Landing permissions, slots and any ground transport are agreed before you fly.

4. You fly
Meet your pilot, board and go. We stay on hand until you have landed.

PLAN YOUR BOOKING

- ☐ The date, and the earliest and latest times you can use Aintree Racecourse
- ☐ Passengers and luggage (soft bags travel more easily than hard cases)
- ☐ Your OK for us to seek prior permission for the landing
- ☐ Where you are going next, so we can plan the second leg and any car
- ☐ A back-up plan if weather stops the flight: we pause and re-plan, and if we cancel for weather you pay nothing for that flight
