Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

## WHAT HAPPENS ON THE DAY

Because Cotswold Airport runs scheduled and business traffic, we plan the helicopter movement around the airport's slot and handling arrangements. Handlers: Kemble Air Services: airport operations team (no third-party FBO).

Plan around the published hours above: they are the outer limit, and we reconfirm them for your date. Helicopters cannot use an unlit site after dark, so tell us the latest time you need to leave.

International flights: customs and immigration: By arrangement / prior notice (minimum notice periods apply; immigration and customs managed by the airport team). Tell us early if your journey crosses a border so we can give the notice required.

## HOW A BOOKING WORKS

**1. Tell us the trip**
Where from, where to, the date and how many are travelling.

**2. We quote**
Helicopter options and one fully inclusive price, usually the same business day.

**3. We arrange it**
Landing permissions, slots and any ground transport are agreed before you fly.

**4. You fly**
Meet your pilot, board and go. We stay on hand until you have landed.

## PLAN YOUR BOOKING

- ☐ The date, and the earliest and latest times you can use Cotswold Airport
- ☐ Passengers and luggage (soft bags travel more easily than hard cases)
- ☐ Your OK for us to seek prior permission for the landing
- ☐ Where you are going next, so we can plan the second leg and any car
- ☐ A back-up plan if weather stops the flight: we pause and re-plan, and if we cancel for weather you pay nothing for that flight
