Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

WHAT HAPPENS ON THE DAY

Think light traffic and short walks. Cumbernauld suits a pick-up or drop-off close to where you are going, and we confirm the reporting point with you beforehand.

Check the hours, then check them again for your date: they can change on event days. We do that for you before quoting.

International flights: customs and immigration position is "By arrangement / prior notice (Border Force Certificate of Agreement – GAR)". Tell us early if your journey crosses a border so we can give the notice required.

HOW A BOOKING WORKS

1. Tell us the trip
Where from, where to, the date and how many are travelling.

2. We quote
Helicopter options and one fully inclusive price, usually the same business day.

3. We arrange it
Landing permissions, slots and any ground transport are agreed before you fly.

4. You fly
Meet your pilot, board and go. We stay on hand until you have landed.

PLAN YOUR BOOKING

- ☐ The date, and the earliest and latest times you can use Cumbernauld
- ☐ Passengers and luggage (soft bags travel more easily than hard cases)
- ☐ Your OK for us to seek prior permission for the landing
- ☐ Where you are going next, so we can plan the second leg and any car
- ☐ A back-up plan if weather stops the flight: we pause and re-plan, and if we cancel for weather you pay nothing for that flight
