Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

## WHAT HAPPENS ON THE DAY

Heliport arrivals are quick and personal, with no scheduled-airline traffic to work around. The site offers: Helipad in the centre of the racecourse; passengers escorted into a private enclosure with refreshments, then a short walk to the stands; direct return to the helipad after racing.

Check the hours, then check them again for your date: they can change on event days. We do that for you before quoting.

## HOW A BOOKING WORKS

**1. Tell us the trip**
Where from, where to, the date and how many are travelling.

**2. We quote**
Helicopter options and one fully inclusive price, usually the same business day.

**3. We arrange it**
Landing permissions, slots and any ground transport are agreed before you fly.

**4. You fly**
Meet your pilot, board and go. We stay on hand until you have landed.

## PLAN YOUR BOOKING

- ☐ The date, and the earliest and latest times you can use Epsom Downs
- ☐ Passengers and luggage (soft bags travel more easily than hard cases)
- ☐ Your OK for us to seek prior permission for the landing
- ☐ Where you are going next, so we can plan the second leg and any car
- ☐ A back-up plan if weather stops the flight: we pause and re-plan, and if we cancel for weather you pay nothing for that flight
