## WHAT HAPPENS ON THE DAY

London Farnborough is a full airport, so the helicopter usually meets you away from the main terminal, at a handling area for private aircraft. Private-aircraft arrivals: Farnborough Airport terminal: a single dedicated business aviation terminal (RIBA award-winning); passengers are driven directly to the aircraft. Handling agents listed here: Farnborough Airport Ltd (sole handler).

Check the hours, then check them again for your date: they can change on event days. We do that for you before quoting.

International flights: customs and immigration: Yes, on site (customs, immigration and screening at the terminal). Tell us early if your journey crosses a border so we can give the notice required.

## PLAN YOUR BOOKING

- ☐ The date, and the earliest and latest times you can use London Farnborough
- ☐ Passengers and luggage (soft bags travel more easily than hard cases)
- ☐ Your OK for us to seek prior permission for the landing
- ☐ Where you are going next, so we can plan the second leg and any car
- ☐ A back-up plan if weather stops the flight: we pause and re-plan, and if we cancel for weather you pay nothing for that flight
