Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

## WHAT HAPPENS ON THE DAY

Gloucestershire Airport is a full airport, so the helicopter usually meets you away from the main terminal, at a handling area for private aircraft. Private-aircraft arrivals: Weston Aviation private terminal with passenger and crew lounge, private ramp, hangarage, VIP catering and chauffeur.... Handling agents listed here: Weston Aviation (FBO with private terminal), Flightpartner (VIP handling, Main General Aviation Terminal), The Little Jet Company (charter and ground handling).

The opening hours decide your day more than the aircraft does. Give us your target arrival and the latest acceptable departure and we will check both against the site.

International flights: customs and immigration position is "By arrangement / prior notice (as airport hours; GAR online;". Tell us early if your journey crosses a border so we can give the notice required.

## HOW A BOOKING WORKS

**1. Tell us the trip**
Where from, where to, the date and how many are travelling.

**2. We quote**
Helicopter options and one fully inclusive price, usually the same business day.

**3. We arrange it**
Landing permissions, slots and any ground transport are agreed before you fly.

**4. You fly**
Meet your pilot, board and go. We stay on hand until you have landed.

## PLAN YOUR BOOKING

- ☐ The date, and the earliest and latest times you can use Gloucestershire Airport
- ☐ Passengers and luggage (soft bags travel more easily than hard cases)
- ☐ Your OK for us to seek prior permission for the landing
- ☐ Where you are going next, so we can plan the second leg and any car
- ☐ A back-up plan if weather stops the flight: we pause and re-plan, and if we cancel for weather you pay nothing for that flight
