Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

## WHAT HAPPENS ON THE DAY

St Mary's, Isles of Scilly is a general-aviation airfield: quieter than a commercial airport, with a small clubhouse or office rather than a terminal. Small terminal with a café with panoramic harbour views; visiting aircraft parked on grass.

Check the hours, then check them again for your date: they can change on event days. We do that for you before quoting.

International flights: customs and immigration position is "By arrangement / prior notice". Tell us early if your journey crosses a border so we can give the notice required.
