Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

THE FLIGHT: LONDON TO DARTMOOR IN ABOUT AN HOUR

From Battersea Heliport the distance is about 144 nautical miles, roughly 70 minutes in a twin-engine Agusta A109 at the 130-knot block speed we use for estimates. The same journey by road is a long day, often three and a half hours or more depending on traffic. At this range the routeing, the weather along the way and the fuel plan matter, and we agree them with the pilot before quoting.

LANDING AT BOVEY CASTLE: WHAT WE KNOW AND WHAT WE DO NOT

Bovey Castle does not publish its helicopter arrangements on its website. Third-party accounts describe a landing area in the grounds, and one independent hotel review says the hotel is used to guests arriving at Exeter Airport by private aircraft and meeting them with its own cars. Neither is a confirmed procedure.

WHAT THE ESTATE OFFERS

The hotel stands in 275 acres within Dartmoor National Park, and opened as a hotel and golf resort in 1930, built by the Great Western Railway. It has a golf course and driving range, the Elan Spa with a pool, and two restaurants, the Great Western Grill and Smith's Brasserie. The estate also lists activities such as falconry, archery, clay pigeon shooting and fly fishing.
