Sunrise and sunset on the 15th of each month, UK clock time. Helicopters fly by sight and cannot use an unlit site after dark, so the last flight of the day is planned back from sunset. If a flight is cancelled because of the weather, you pay nothing.

THE HOTEL'S OWN WORDS ON HELICOPTERS

The "find us" page of the hotel's website has a "By air" entry that says helicopter landings are available on request and that pre-booking is essential. It also gives a helipad landing reference for pilots. We read that as an invitation to ask, not a standing right to land: every landing is agreed with the hotel for a named date and time, and the pilot makes the final judgement on the day.

THE FLIGHT

South Lodge is about 27 nautical miles from Battersea, an estimated 16 minutes in a twin-engine Agusta A109. From our base at Redhill it is shorter still, which makes it a natural choice for a short positioning flight if you are starting in Surrey. The hotel itself points out that Gatwick is about twenty minutes by road and the M23 seven minutes away, so the helicopter's advantage is in the final leg, which you fly instead of driving the A23 or the Brighton Road.

THREE PLACES TO EAT

The hotel's website describes three restaurants: The Pass, awarded a Michelin star in 2023 and offering a seasonal chef's table experience; Camellia, which uses produce from the South Lodge walled garden; and Botanica, a dairy-free, zero-waste menu. Tell us which you are booking and we will time the flight around the sitting.

- ☐ The Pass suits an evening: allow for sunset when planning the return, or stay the night.
- ☐ Camellia works for a long lunch with a daylight return.
- ☐ Botanica is the lighter option for a day with the spa.
